Subject: Wetlands Demonstration Plan

Allen
Dear Mr. Garcia:

Thank you for your letter dated March 28, 1997 describing the Wetlands Demonstration Plan that you have developed for your family farm.

I am sorry that my schedule did not allow me to respond in time for the Wetlands Reserve Program screening, however, your proposal does seem to have potential merit with respect to the CALFED Bay-Delta Program. I have referred your plan to Dick Daniel, Chief of our Ecosystem Restoration Program, and to Kate Hansel, who is running our Restoration Coordination Program, for their views on the plan.

If you have additional questions, please feel free to call me at (916) 657-2666, or call Dick Daniel at (916) 657-0199, or call Kate Hansel at (916) 653-1103.

Sincerely,

Steve Yaeger
